

## **Trail Resurfacing Specialist**

### **MoSH – Lichterman Nature Center**

This position is part time, approximately 20 to 28 hours per week, and pays \$12.00 per hour. Hours are scheduled in advance, and may include weekend work.

Duties will include, but are not limited to:

- + Resurfacing one and a half miles (7920 feet) of walking trails with crushed limestone under the direction of the LNC Manager.
- + Performing and logging equipment and vehicle inspections
- + Maintaining grounds maintenance supply inventories
- + Supervise volunteer groups
- + Other duties as assigned.

**TYPICAL PHYSICAL DEMANDS:** Requires the ability to use tools, and operate heavy equipment such as chainsaws, trucks and bobcats with front end loaders. Requires sufficient mobility to determine scope of maintenance activities, includes upkeep of trails, lakes, bridges, gardens, forests, meadows and parking lots. Must be able to lift up to 50 pounds.

**TYPICAL WORKING CONDITIONS:** Work is performed outdoors. Exposure to inclement weather, hot or cold temperatures, dry or rainy environments, snakes, insects, and irritant plants such as poison ivy. Some off-site work is required.

Ability to use a Microsoft Office is a plus

Must have a valid Tennessee driver's license showing current address and High School Diploma at time of application.
